

Services We Offer

Midwest Pets For Life provides many other services that include but are not limited to:

- Emergency in-home care
- Pet Medical care assistance
- Educational information & programs
- Behavioral & training referrals
- Foster homes
- Re-homing assistance

If a client needs to be hospitalized, we can provide in-home care for your pet by licensed and bonded Midwest Pets For Life associates. Services include feeding and watering, cleaning litter boxes, administering prescribed medications to the pet if needed, taking the dogs outside, and any other basic care that is needed.

For more information on the above services, please contact a Midwest Pets For Life Associate, visit our website or facebook page, or email us.

MIDWEST PETS FOR LIFE

MIDWEST PETS FOR LIFE

Helping families, elderly, & disabled citizens keep their pets when they need them the most, while providing adoption options to ensure the beloved pets are always in a loving home.

MIDWEST PETS FOR LIFE

WHO WE ARE AND WHAT WE DO

We are a 501 (c)(3) non-profit animal welfare organization, run entirely by volunteers. Our skilled and educated staff are dedicated to assisting families, elderly, and disabled pet owners who meet program guidelines in times of need. We offer pet retention programs, adoption options, services and education, and sustainable programs that enhance companion animal ownership. We are dedicated to keeping pets healthy and happy by keeping them with the people who love and need them most. In tough economic times, some of us

need a helping hand, but not a handout. That's what Midwest Pets For Life is all about!

Ani-Meals & Kibble & Litter Pantry

Our Ani-Meals program targets citizens with disabilities and those who are homebound. Food and supplies are delivered to the home once a month. Program enrollees **MUST** meet specific criteria to take part in this program.

Our Kibble & Litter Pantry is for those who are unable to afford food and services for their pet but have transportation and are able to pick up their food and supplies at a convenient location. Program enrollees **MUST** meet specific criteria to take part in this program.

Low-Cost Spay/Neuter Clinics

Our low-cost spay/neuter program is held once a month at a convenient location and is available to everyone. A licensed veterinarian provides these services. All cats are welcome and we also partner with a local vet clinic to provide spay and neuter services to dogs.

Vaccination and Microchip Clinics

A licensed veterinarian is on-site providing low-cost vaccinations, nail trims, dewormer, flea and tick treatment, and microchipping. Please contact us for clinic dates and locations.

Adoption Options

When all other avenues have been exhausted and the owner is no longer able to care for the pet, our no-kill organization allows for foster families to care for the pet while they await their new forever home. All pets are spayed or neutered, and vaccinated before adoption. Microchips are available upon request.

M*A*S*H

Moving Animals Safely Home

As per agreement with Clinton County Emergency Management, MPFL is proud to assist with any natural or manmade disaster by bringing the communities which we serve our Emergency Animal Response Team and **M*A*S*H (Moving Animals Safely Home)** Unit. If an emergency arises that involves animal welfare, our highly trained, BART-certified staff will be working alongside Clinton County Emergency Management to implement our disaster relief plan.

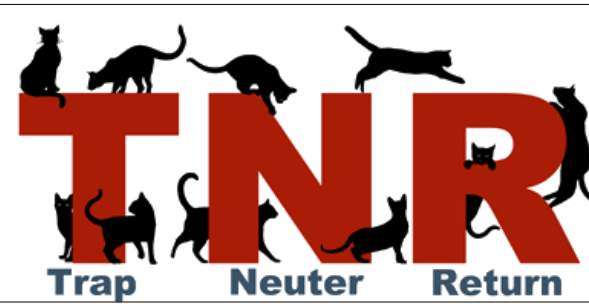

Volunteer Opportunities

If you are interested in volunteering in some capacity for Midwest Pets For Life, there are many categories available and we always look forward to welcoming new volunteers to help with our many programs, fundraisers, etc. The list below is just a sampling of the volunteer opportunities we offer:

-  Foster Families
-  Food Delivery
-  Clinic Opportunities
-  Office
-  Educational Programs
-  Events/ Fundraisers
-  Donation Pick Up

If you are interested in volunteering, please visit our website to print off the volunteer application.

Midwest Pets For Life will be assisting with the Trap-Neuter-Return program, which is now a part of the City's Animal Ordinance. We will be mapping feral, un-owned community cat colonies, trapping the cats, altering them, vaccinating, ear-notching, and microchipping, and then returning them to the exact colony from which they came. This will eventually diminish the community cats in the city and is the most humane method for reducing feral cat populations.

This program is NOT funded by the city and is dependant on grants and community donations. No donation is ever too small. If you can make a donation to help with this program, it is desperately needed, extremely appreciated and tax-deductible.

TNR donations can be sent to:
Midwest Pets For Life TNR program
P.O. Box 3205
Clinton, Iowa 52733-3205

Donations can also be made via FACEBOOK at **Midwest Pets For Life**

or via **PayPal** using **midwestpetsforlife@gmail.com**

And mention **TNR** in the message box

If using PayPal, be sure to choose **"Sending to Family and Friends"**

By doing this, PayPal **does NOT** take a fee and Midwest Pets gets the entire donation.

SPAY/NEUTER CLINICS ARE HELD ON THE THIRD THURSDAY OF EACH MONTH. CLINICS FILL UP QUICKLY! *APPOINTMENTS ARE REQUIRED*** DON'T DELAY!! CALL TODAY!! 563.503.8153**

A HELPING HAND...NOT A HANDOUT.

VACCINATION/MICROCHIP CLINICS ARE HELD QUARTERLY IN JANUARY, APRIL, JULY, AND OCTOBER. THEY ARE NORMALLY SCHEDULED FOR THE SECOND THURSDAY OF THE ABOVE MONTHS. NO APPOINTMENTS ARE REQUIRED. FIRST COME, FIRST SERVED!

On the fence about fostering?

I would rather cry watching them leave our home to live a life of happiness and joy in a loving home than cry because no one stepped up to help them and they died alone, frightened and sad in the shelter. 

Fostering saves lives. Try it!

"You have not lived today until you have done something for someone who can never repay you."

— John Bunyan
